LASO-O: FIVE FAMILY RULES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sometimes it may seem as if running a family is like trying to manage a circus. There are too many rules that no one remembers. Discipline is inconsistent and there is not enough time to do everything. Now there is a simple approach that is so easy to learn that even the youngest child can say and understand it. This is so effective that it eliminates most negative behaviors even before they start. How would you enjoy it if whenever you take your family out, people constantly come up and say, Your children are so well behaved. How do you do it? It all comes down to applying five simple one-word family rules consistently in love to develop godly discipline in the home.
