Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Written in the irreverent style that made *How to Talk About Books You Haven't Read* a critical and commercial success, Pierre Bayard takes listeners on a trip around the world, giving us essential guidance on how to talk about all those fantastic places we've never been. Practical, funny, and thought provoking, *How to Talk About Places You've Never Been* will delight and inform armchair globetrotters and jet-setters, all while never having to leave the comfort of the living room. Bayard examines the art of the nonjourney, a tradition that a succession of writers and thinkers, unconcerned with moving away from their home turf, have employed in order to encounter the foreign cultures they wish to know and talk about. He describes concrete situations in which the listener might find himself having to speak about places he's never been, and he chronicles some of his own experiences and offers practical advice. *How to Talk About Places You Haven't Been* is a compelling and delightful book that will expand any travel enthusiast's horizon well beyond the places it's even possible to visit in a single lifetime.
