Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

KURIKARA (PAPERBACK)

North Atlantic Books,U.S., United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. In Mikkyo--Japanese esoteric Buddhism--the dragon Kurikara symbolizes the internal energy developed through sword practice. Kurikara is a manifestation of the fierce bodhisattva Fudo Myo O, the patron of ascetics and warriors in Japan, who uses his sword to destroy delusions and sever attachments. Fudo s sword represents the gaining of discriminative power and decisiveness--the ability to cut through illusion and attachment. This leads to the development of an inner energy that allows one to burn up all obstacles to spiritual freedom. Kurikara: The Sword and the Serpent sets out the eight basic principles of swordsmanship common to all Japanese sword schools, emphasizing the cultivation of power and mental focus. Accomplished martial artist John Evans provides practical examples from his experience with the sword arts as well as Mikkyo and shugendo (mountain asceticism). The first foreign student to train with Nakamura Taisaburo sensei--widely acknowledged as the master of the sword art battodo--Evans clearly explains how skill such as Nakamura sensei s can be systematically developed through tanren, exercises that meld inner and outer power. Filled with fascinating anecdotes from Evans s training in Japan, Kurikara is a useful, inspiring guide to Japanese sword practice and its spiritual underpinnings.
