

The City of Light: Humanity What Next? (Paperback)

By MR Anthony John

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The City of Light The City of Light project stems from one man s vision. That man is Anthony John, a coach and businessman who now devotes his life to the project which has its base in Glastonbury. Anthony experienced a profound calling to create an ethical eco-society, based on spiritual values. Physically, he saw this city as a modern day interpretation of an Atlantean healing temple. The City of Light can be seen as a social experiment, a community where everyone involved plays an intrinsic part in maintaining the fabric of the city whether they physically live in it or whether they support the project from elsewhere in the world. The intention is to find a new way forward for mankind, a new way of living. The path is one of sharing, community, harmony and respect for all life on the planet as well as the Earth herself. Humanity has reached a turning point. It s time to wake up, to step up and live more consciously. Not everyone will have the courage, but those open enough and willing...
