UNDERSTANDING HEADSHIP Dr. Kluane Spake Because early Bible translators lacked the understanding of the word headship, it was interpreted wrongly and this mistake has affected our entire Western culture as well as our interpretation of many Scriptures. I am totally blown away by the testimony in your book on headship! Wow! It all makes sense now! You are a forerunner, #trailblazer, #primemover! Deb Cook Australia A phenomenal and easy to understand booklet explaining the correct Scriptural understanding of headship. This E-book contains full color photos describing this correct explanation of Biblical Headship. These photos are copywrited and not to be copied for personal use. The purpose of this booklet is to rightly translate and correct this viewpoint of headship and make it easy to understand. This booklet is designed to be brief, easy to understand, and to the point.
