Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A short but powerful handbook, to help transform yourself and your family. Life is like a test graded on a curve, where no one has been able to get 100 The average person life skill s score is between 30 and 50 percent. Modern day man is barely able to get through life without major strife. As for the average person being able to be there for their family or know the 10 commandments that is a stretch. Not to mention being able to support themselves and family, plus have energy left over to help with global warming issues. We would be lucky if they recycled correctly and brought their own bags to the market. The Book: Tools to be your best self: The four pillars of success is designed to move the average person s life skills score in life-- upward. For example if you apply the learning in the book and score: 50 You will be able to sustain yourself. You will not be a burden to your family or society. 60 You will be able to sustain yourself and your family. You have a good grasp on morals and values. 75 You will be in leadership roles within your organization and community. Will have leveled the playing field between you and people with higher education degrees. You have wisdom, morals and values. 90 You are the degreed individual with proper life skills tools. A non-degreed individual with an exceptional appetite for learning. A sage with wisdom for the ages. You are a guest speaker on Oprah Winfrey show. A leader within your nation and the world. 100 You re basically walking on water.
