

The Sieges of Leicester 943 & 1645

By Rupert Matthews

Bretwalda Books. Paperback. Book Condition: new. BRAND NEW, The Sieges of Leicester 943 & 1645, Rupert Matthews, A book dedicated to the two sieges of Leicester in the summer of 1645, events that saw much of the medieval city razed to the ground and hundreds of citizens killed. Leicester spent most of the English Civil War at peace, a garrison town for Parliament in the Midlands. Then in May 1645 Royalist Prince Rupert arrived and laid siege to the city. After conducting a skilful siege, Rupert's men assaulted the town and burst in to butcher the garrison and loot the houses and churches. Rupert marched off, leaving his own garrison. The Royalists had barely repaired the walls when a Roundhead army arrived, laid siege and then stormed the town in their turn, adding more bloodshed and destruction. This book follows the standard pattern set by others in the Bretwalda Battles series. The reasons for and course of the war in question are outlined, then detailed analyses of weapons, tactics and strategies are given with particular reference to this battle. The course of the battle is then followed, with comment on what there is to see at the site today. Short biographies...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

This kind of book is every little thing and taught me to look ahead of time and a lot more. I am quite late in starting reading this one, but better than never. I found out this book from my dad and I encouraged this PDF to find out.
