Isi Books, United States, 2009. Paperback. Book Condition: New. Critical.. 226 x 150 mm. Language: English . Brand New Book. Thoughts and Adventures was first published in 1932 by Thornton Butterworth in Britain. More than any other book by Winston Churchill, this wide-ranging collection of essays allows the contemporary reader to grasp the extraordinary variety and depth of the statesman's mature thoughts on questions, both grave and gay, facing modern man. Churchill begins by asking what it would be like to live your life over again and ends by describing his love affair with painting. In between, he touches on subjects as diverse as spies, cartoons, submarines, elections, flying, and the future. Reading these essays, originally dictated late at night in the 1920s in his study as the pot-boilers, first published in magazines and newspapers, by which he was able to support his family and live like a lord without inherited wealth, is like being invited to dinner at his country seat at Chartwell, where the soup was limpid, Pol Roger Champagne flowed, the pudding had a theme, and Churchill entertained lucky visitors with vivid conversation, dominated by himself. This ISI edition of the book, with a new introduction and notes by James W. Muller, Academic Chairman of the Churchill Centre, brings back Churchill's unforgettable table talk for a new generation of readers.
