Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In 1982, on a whim, the English journalist Richard Clark upped sticks and left the country of his birth to go and work as a teacher in Crete. So began a love affair with the island to which he still returns as often as possible. Crete - A Notebook is a series of snapshots of his experiences on an island he has grown to cherish. It is less of a travel guide and more of a traveling companion. Whether a regular visitor or a first time traveler there, this book provides an invaluable insight into life past and present on this exquisite island. The author is a writer, editor and journalist who has worked on an array of national newspapers and magazines in the UK. He is married with two grown up children and lives in Kent. Richard Clark is also the author of The Greek Islands - A Notebook My library contains almost all of the noteworthy books about Greece and her islands and this will be a welcomed addition. I will place it next to my collection of books by the late and great Patrick Leigh Fermor, because I think Richard Clark's writing is as close to Fermor as we will ever come again. Aurelia Smeltz, author Labyrinthine Ways , A Lone Red Apple.
