Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Lucian: Selected Writings Repeated experience has convinced the editor that Lucian has a place in the college curriculum. The Introduction states (p. Xxix) some of the reasons for this claim, and is also intended to call attention to the continuity of Lucian's influence, especially from the time of the Reformation. The Conspectus of Lucian's Greek (pp. Xxxiv xlii) gives in compact form some of his peculiarities and mannerisms. It is intended as a caution to the student against certain divergences from the Attic, and, with the account of the Common Dialect, may at the same time lay emphasis on the continuity of the Greek language from Homer to the present day. The brief special Introductions to each selection are intended to secure a sympathetic reading of the individual pieces rather than to serve as summaries of their contents. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
