Synchronicity is teeming with delightful and often compelling surprises about the nature of meaningful coincidences in contemporary life. The authors prose is playful, provocative, and profound. Though you may not agree with all of Professor Surprise's conclusions, this book should be required reading for anyone wanting to understand the magnificence and mystery of synchronicity. --Gary E. Schwartz, PhD, professor of psychology and medicine, The University of Arizona, and author of The Sacred Promise An interesting mix of mythology, neuroscience, and common sense, this book takes a serious, but light-hearted look at the way synchronicity works and the degree to which it can be controlled. Going well beyond the ideas of Jung, synchronicity's discoverer, psychotherapist Surprise draws on anthropology, String Theory, and Walt Disney to make the case that our internal states do effect external events. . . . --Anna Jedrziewski, New Age Retailer The experience of meaningful coincidences is universal. They are reported by people of every culture, every belief system, and every time period. Synchronicity examines the evidence for the human influence on the meaningfulness of events, and the way the modern computational model of the mind predicts how we create meaning. It demonstrates that these events, based on the activity of the mind, are caused by the person who perceives them. In this fascinating work, you will: Learn to use your amazing ability to create synchronistic events Discover how your mind creates the reality you experience Unlock your brains vast resources of connectivity and creativity Change from living as a separate being to living as a part of the unified whole Synchronicity will show you how you already create events around you, and make you a conscious co-creator of your reality. Dr. Surprise describes the miracles of your brains...
