Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Taj-UL Ikbal Tarikh Bhopal: Or, the History of Bhopal The following pages profess to be a literal translation of the Urdu edition of H. H. the Begam s History of Bhopal. It was undertaken by me when acting as Political Agent of Bhopal, from February 1874 to October 1875. The Begam had not been able to find a suitable translator, so I offered my services, and worked at the book in such intervals of leisure as could be spared from my official duties. The only works known to me having special reference to Bhopal are Sir J. Malcolm s Central India and Colonel Malleson s Essay, both of which will amply repay perusal, and in both of which the dramatic interest has been worked up to a high pitch round the person of Muhammad Wazir Khan, who may be said to have been the immediate founder of the present Ruling Family of Bhopal. It is to be hoped that the present work may not prove devoid of interest to English readers as affording an insight into the genuine expression of Oriental feelings and modes of thought. My acknowledgments are due to Colonel Thuillier R.A., C.S.I., Surveyor-General of India, for the kind and prompt manner in which he furnished me with the map of the Bhopal Territories which accompanies this volume.
