Brand New Book ***** Print on Demand *****.Excerpt from A Course of Mathematics, Vol. 3 of 3: In Three Volumes, Composed for the Use of the Royal Military Academy, by Order of His Lordship, the Master General of the Ordnance The beneficial improvements lately made, and still making, in the plan of the scientific education of the Cadets, in the loyal Military Academy at Woolwich, having rendered a further extension of the Mathematical Course adviseable, I was honoured with the orders of his Lordship the Master General of the Ordnance, to prepare a third volume, in addition to the two former volumes of the Course, to contain such additions to some of the subjects before treated of in those two volumes, with such other new branches of military science, as might appear best adapted to promote the ends of this important institution. From my advanced age, and the precarious state of my health, I was desirous of declining such a task, and pleaded my doubts of being able, in such a state, to answer satisfactorily his lordship s wishes.
