Fox Chapel Publishing, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. This book features a wonderful collection of clock projects from the editors of Scroll Saw Woodworking Crafts magazine. Learn how to make beautiful time pieces including grandfather clocks and pendulum clocks! It includes projects for all abilities and tastes, from learning to cut pieces and assemble parts to finishing and personalising. The editors of Scroll Saw Woodworking Crafts magazine have selected a collection of the most beloved clock projects - from fancy fretwork grandfather clocks to classic pendulum clocks and whimsical desk clocks. This book offers something for everyone - no matter what their level of scrolling expertise. Beginners will learn how to cut their pieces like an expert and assemble clock parts. More advanced crafters will appreciate the section on finishing clocks and personalising special gifts. The articles, that represent the most popular clocks since the inception of Scroll Saw Woodworking Crafts in 2000, have been fully updated to reflect current clock part sizes.
