For many of them Empire was the key to glory and wealth that brought Britain many significant benefits and positively changed the economic landscape of the Indian subcontinent as well. It had developed the largest railway system in Asia , restored old irrigation systems and developed new ones. There were hydroelectric dams, harbourworks and bridges. There was also a considerable development of system of higher education . [F]amines were diminished and agriculture tended to be commercialised. Imperialism had also its passionate critics for whom Empire was the scandal that produced ethnic violence, religious exclusion, political weakness, civilizational embarrassment, and national extremism. For Rudyard Kipling Empire was a philosophy that assumed the superiority of British civilization and therefore its moral responsibility to bring law and enlightenment to sullen peoples of the world. Kipling is generally...
