Culture of Peace Press, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Our world today is barraged by crises-war, famine, poverty, illness, global warming, a struggling economy. Are solutions even possible? Jeffrey Sachs, director of The Earth Institute, tells us: None of the problems we face are beyond solution if we overcome the fear, which is the greatest obstacle of all. Voices for the Culture of Peace, volume 2, brings together fourteen speakers who share a broad spectrum of expertise and experience, from community activists to human-rights experts to conflict-resolution professionals and beyond. Each brings to the mix a wealth of ideas and, more important, hope for a better future by empowering the contributions of each of us. As Ambassador Anwarul Chowdhury, a longtime leader of efforts to build a culture of peace, says: I have seen time and again how people-even the humblest and the weakest-have contributed to building the culture of peace in their personal lives, in their families, in their communities and in their countries. And that ultimately is contributing to build a new and better tomorrow for humanity and to the global movement...
