

Heaven and Hell (Hardback)

Filesize: 1.46 MB

Reviews

Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be he best ebook for actually.
(Audra Hodkiewicz)

HEAVEN AND HELL (HARDBACK)

[DOWNLOAD PDF](#)

Wipf Stock Publishers, 2013. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. For thousands of years, philosophers, theologians, and poets have tried to pierce through the veil of death to gaze with wonder, fear, and awe on the final and eternal state of the soul. Indeed, the four great epic poets of the Western tradition (Homer, Virgil, Dante, and Milton) structured their epics in part around a descent into the underworld that is both spiritual and physical, both allegorical and geographical. This book not only considers closely these epic journeys to the other side, but explores the chain of influences that connects the poets to such writers as Plato, Cicero, St. John, St. Paul, Bunyan, Blake, and C. S. Lewis. Written in a narrative, man of letters style and complete with an annotated bibliography, a timeline, a who's who, and an extensive glossary of Jewish, Christian, and mythological terms, this user-friendly book will help readers understand how heaven and hell have been depicted for the last 3,000 years. The portrayal of heaven and hell is one of the great literary themes of Western literature, and is a subject that should be of high-priority interest to every Christian. . . . Markos writes with his usual insightfulness, and he again does what he does best--serves as an engaging travel guide through this chosen body of literature. --Leland Ryken, Wheaton College We have been given a rich theological, philosophical, and literary overview of the themes of heaven, hell, and the permanent things so often neglected in literary studies. We gladly salute Louis Markos on this marvelous contribution and trust it will receive the wide readership it deserves. --David S. Dockery, Union University Lou Markos has pulled off quite an accomplishment. He has managed to meaningfully...
