AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Today, with so much know how existing on this planet, there is still billions of people leaving in extreme poverty. Except for some countries often called Developed Countries, A large part of humanity live in poverty and governments of the majority of countries do not know what to do to bring prosperity in the countries they rule. The people who lives in poor countries are hopeless and do not know what to do to solve the chronic problem of poverty they live in. These people have accepted poverty as a fact or something they can not do anything about. The unique solution that many people find is to immigrate to a rich country and become illegal immigrant in that country. But is poverty really a problem that nobody can do anything about? Can all the people of the world solve the problem of poverty and live a life characterized by prosperity like the one found in the United States? If you want to know the answer to these two questions then this book is for you. In this book, I will describe a...
