Excerpt from Land and Water Conservation Fund The collective results of the Land and Water Conservation Fund are a great achievement, a permanent legacy of conservation and recreation, and a bright testament to the power of federal, state and local partnerships. They are also the first step in a new vision for the American landscape: a nationwide outdoor recreation network, a seamless system of parks accessible to all. Through the support of the Land and Water Conservation Fund, we now have thousands of miles of trails for walking, hiking and biking. Acres and acres of protected lands are available for camping and picnicking. Beaches, rivers, lakes and streams are made accessible for swimming, fishing and boating. New and rehabilitated recreation fields are open for baseball, soccer and basketball. The list goes on and on. These parks and open spaces are enhancing the daily lives of millions.
