Intergenerational Democracy: Rethinking Sustainable Development (Paperback)

By Kirsten Jane Davies

Common Ground Publishing, United States, 2011. Paperback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****. Intergenerational Democracy: Rethinking Sustainable Development, takes an intimate look at the influences underpinning human-environmental relationships, with a special focus on ethnic heritage and multi-culturalism. It describes how human-ecosystem connections have been severed and how issues such as global climate change threaten the future of mankind. This book advocates for concerted efforts to re-establish viable and sustainable Cycles of Life by proposing models that can assist this process. The foundation of these models is Intergenerational Democracy (ID), a whole-of-community method of engagement and participation that requires the inclusion of citizens representing all ages (from 8 to 100+ years). ID is embedded in the principles of direct democracy and human rights, recognizing that there are many quieter but equally legitimate voices, particularly those of children, which are rarely heard in policy and planning forums. As explained by an eleven-year-old boy, We should work to a level where children s views are regarded just as important as any adult s as we are the ones that shall be living the future. Through its age-based methodology, ID enables the application of intergenerational equity,...

Reviews

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
