THE MANDAEANS-BAPTIZERS OF IRAQ AND IRAN (HARDBACK)

[DOWNLOAD](#)

Wipf Stock Publishers, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The secrets of a complex belief system that have sustained the Mandeans in their centuries-old native lands in Iraq and Iran have been collapsing before their eyes. This little-known Gnostic sect has been hidden from global awareness until now. With a passion for the obscure, Karen Baker has delved into this secret sect, exploring the effects of the turmoil they have faced in their homeland, and are now facing in Diaspora. The Iraqi and Iranian Mandeans have fled their homes with nothing more than the clothing on their backs, being thrust into the status of refugees, watching their traditions and cultures crumble as they encounter new lands and new cultures. This book discusses the potential receptivity of Mandeans to Christianity through several perspectives including an evaluation of their relationship to the Gnosticism of the first through third centuries CE as well as its syncretic adaptations to Judaism, Christianity, and Islam. It will be of interest to those interested in little-known cultures from a historical and religious perspective; those involved with refugees and immigrants; and those who desire to understand the foundational beliefs of Mandaism. I have been privileged to closely partner with missionaries serving among the Mandaean refugee community in Amman, Jordan since 2001. In 2014, my family moved to the Middle East and we have encountered many Mandeans. Because of the secrecy of this sect, as described in detail in this book, I have learned so much more about their history, beliefs, and culture, from reading this book than I could have ever learned in individual discussions. -- Jonathan Grooms, President, Global Partners in Peace Development Baker brings to her work a combination of scholarship and passion that makes her work both readable...
