Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Set primarily in Tennessee and Virginia from 1924 to 1976, this is the adventure-filled life story of Jim Taylor: lawman, lover, family man, churchgoer-and murderer. After Jim s beloved sister Annie is raped and murdered at the age of 13, he becomes obsessed with finding her killer and meting out payback. The story of that pursuit, Jim s revenge, and the stunning surprise ending of the book make up the central story. When we first meet Jim, he s madly in love with young Lilly Mae Larkey, an ambitious beauty he s known since childhood. Between them and their eventual happiness, there are many twists and turns, a long separation, and a serious rival for Jim. Along his journey from besotted teenager to respected, experienced lawman in Dawson, TN, Jim has a series of torrid relationships with other women and numerous encounters with lawbreakers, some of them extremely dangerous. One man leaves him with a nearly fatal head wound. The June 1943 race riots in Detroit are the impetus for reflections on the sad state of race relations in that era. The author s father was a lawman in Sullivan County, TN. His life was the inspirational starting point for this work of fiction. About the Author: Gary H. Hensley grew up near Kingsport, TN. He now lives in Maryville, TN with his wife, Sherry. He served as a drill sergeant in the U.S. Army and is a retired city manager. He and his wife have three children and two grandchildren.
