Prison Possibilities for Mexicans: Is a Boat Better Than a Wall (Paperback)

By Reverend Mike Wanner

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If someone who was not invited came to my house and got their foot in the front door, I would not invite them to stay until they could work out the problems of their life. Yes, I understand that many families have that issue and deal with it but it is not family that I am describing. People who cross the border illegally are not invited and my big question is - Why can t we show them the way to the exit instead of three hots and a cot. I would invite newscasters throughout the country to consider that question and ask the appropriate authorities. Liberty is a primary motivation for the founders of the nation and respect for everybody is a key to my outlook on life. While the immigration issue is not going away anytime soon, I propose herewith an unusual and hopefully helpful idea that may help somewhat in the most devastating circumstances for individuals. Could we give trespassing non-criminals a choice to stay or go home?.
