

Bad Education: Debunking Myths in Education

By Philip Adey, Justin Dillon

Open University Press. Paperback. Book Condition: new. BRAND NEW, Bad Education: Debunking Myths in Education, Philip Adey, Justin Dillon, "This is an important and welcome book. Readers can see the faults of simplistic judgments, neglect of evidence, dismissal of researchers, and injudicious implementation." (From the foreword by Paul Black). We all know that small classes are better than large classes; that children are best taught in groups according to their ability; that some schools are much better than others and that we should teach children according to their individual learning styles .or do we? This book asks awkward questions about these and many other sacred cows of education. Each chapter tackles a persistent myth in education, confronting it with research evidence and teasing out any kernel of truth which may underlie the myth. Leading authors from the world of education each bring analysis and expertise to bear on their chosen subject, presenting their argument in an accessible manner based on sound scholarship. Some of the conclusions drawn in Bad Education are likely to be real eye-openers for many teachers and parents, who will find some of their basic assumptions about education called into question. It is also essential reading for...
