At the age of six, Lee Anna Thomas recognized that her son would someday be a minister. At fifteen, he had the first of many conversations with God about the purpose of his life. He made a vow to God. I will go wherever you want me to go and say whatever you want me to say, but first I want to experience life to be able to understand your people through my experience. Once I have experienced life and become a man, I will do your will. In 1982 God showed Coys Thomas a vision of his ministry and purpose of calling, and then he received the Holy Ghost and was anointed for the ministry. An ordained pastor with twenty-two years of experience, Coys Thomas addresses some tough issues for Christians today including prophecy, being born again, leadership, witchcraft, oppression, persevering through trial, God s unconditional love, encamped about with angels, crossroads of decision, you can get healing from infertility, take back your neighborhood, holding onto a vision. His own personal life stories are interwoven in these important teachings.
