Dancers and lovers of dance will delight in this lovely Ballerina. journal. Inspired by the George Balanchine quote, Dance is music made visible, I have incorporated musical notes and symbols into the background of this series. On first glance it might appear to be lace, however, this ballerina dances on a cover of artistically arranged musical notes and symbols. With 100 crisp white, lined pages, there is plenty of room to write, create, plan, take notes, or dream. When you are ready to disconnect from technology, this is ideal for capturing your thoughts on paper.
