Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from An Ecological Characterization of Coastal Maine, Vol. 6 Uses of the characterization atlas are varied and will depend on the users specific needs and interests. Examples of potential uses include the collection of information regarding potential impacts of a large industrial, commercial, and/or residential development, waste disposal site, or power generating facility, as well as the identification of important resource areas in need of protection. No new data were generated specifically for the Maine Coast Ecological Characterization. Existing information, published and unpublished, was compiled to provide the information plotted on the atlas. Sources for these data include local, State, and Federal agencies as well as private organizations and individual researchers.
