The Medical School, cooperating with the State Board of Health and the Minnesota Social Hygiene Commission, has taken up a share of this burden, providing 10 hospital beds and a night as well as day service of its clinics in this field. The library.--The usual growth of the medical library has been accelerated by two substantial gifts of books during the current year; the one from the library of the late Dr. Burnside Foster and the other an addition to the already large collection donated to the University by Dr. J. E. Moore. Graduate work in medicine.--Fourteen Teaching Fellows have been appointed in the several departments and 18 additional graduate students have undertaken majors or minors in medical branches. The call to war service has made special demand upon students of these groups....
