Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In the mid-19th century, Romantic literature was still in full bloom across the West, but some American authors began producing literature that, while still Romantic, was unique enough to be considered a different genre. This new genre, Transcendentalism, focused on the spirituality of the self and nature, not rejecting religion outright but concentrating on pragmatism and the importance of individuals as the spiritual center of the cosmos. In addition to drawing upon the Age of Enlightenment, Transcendentalist authors also utilized the philosophy of Plato, who taught that self-fulfillment through attaining knowledge should be an individual's ultimate goal. The leader of Transcendentalism and the man who ushered the movement's practices and literature was Ralph Waldo Emerson (1802-1883), one of America's most famous writers and speakers. Whereas Romantic literature typically took the form of poetry, novels and short stories, much of Emerson's writings disregarded those traditional structures and were written as essays. Emerson initiated Transcendentalism with the publishing of his essay *Nature* in 1836, which espoused the virtues of nature and the interconnectedness of all life in nature. With his focus on the environment and natural history, Emerson became the first major American writer whose work was not influenced in any way by European literature. But Emerson didn't just write Transcendentalist literature; he practiced what he preached. Now at the forefront of a movement, Emerson established group meetings, gave a series of lectures, and helped produce a Transcendentalist publication in the 1840s, which included his famous essay *Self-Reliance*. As Emerson's movement and stature grew, he befriended other authors, including Nathaniel Hawthorne, Louisa May Alcott, and Henry David Thoreau, who became his greatest protege. Thoreau...
