Nightmare at Midnight is an inspirational, true story of what it is like to raise twins. The story begins with a husband and a wife trying to conceive their second child, only to find out that one has become two! Nightmare at Midnight tells the story first hand, from author and mother, Brandy Powell, in her own words. It was intended for the family expecting multiples, to give them an idea of what it is like to make it through pregnancy, birth, and on through the first year. No overwhelming medical talk, or expert advice. Just a good, old fashioned story of an experience through the eyes of a mother. The strife, struggles, greatest moments, and sleepless nights. Nightmare at Midnight highlights day to day life for this family, filled with emotion and inspiration of how this family survived everyday.
