Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Nineteenth Century: A Dialogue in Utopia What century it was in which these two men lived no one can yet say, only that it was a long, long time hence, so long that I scarcely care to set down any surmise as to the vast period of time that separated the century they talked of from that they lived in. After all it matters little to us. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
