SCENES DE LA VIE DE MONTMARTRE ROMAN

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 134 pages. LC Number: KF27 . S39956 2009 OCLC Number: (OCoLC)426952644 Subject: Forensic sciences -- United States -- Evaluation. Excerpt: . . . 11 the public; (3) identify potential scientific advances that may assist law enforcement in using forensic technologies and techniques to protect the public; (4) make rec-ommendations for programs that will increase the number of qualified forensic sci-entists and medical examiners available to work in public crime laboratories; (5) dis-seminate best practices and guidelines concerning the collection and analysis of fo-rensic evidence to help ensure quality and consistency in the use of forensic tech-nologies and techniques to solve crimes, investigate deaths, and protect the public; (6) examine the role of the forensic community in the homeland security mission; (7) examine the inter-operability of Automated Fingerprint Information Systems; and (8) examine additional issues pertaining to forensic science as determined by the Committee. The reason the community asked for this study was due to the fact that the focus of the Federal Government has been on the single discipline of DNA. The community, including myself, knew that the other disciplines and the state of our system needed to have further resources and assistance from the Federal Gov-ernment. In my testimony today I will simplify, due to time, our report - Strength-ening Forensic Science in the United States: A Path Forward - into the scientific and technical challenges that must be met in order for the forensic science enterprise in the United States to operate to its full potential. Specifically, I will discuss them in four classes of resources, research, standardization, and education, as these are the primary challenges at this time. The report found that some...
