THE 2,466-YEAR-OLD CALENDAR NOBODY COULD SEE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This booklet is about our Creator s official world calendar that was lost in plain sight in the Bible, until now. Unlike any other study on the chronology of the Bible, it is both unique, educational, and compelling. The calendar is based on the chronology and genealogy of Jesus righteous line from the beginning. It fills out the prophecy of seventy sevens in the form of a continuous calendar from Jerusalem s captivity to the White Throne Judgment. It reveals the meaning of 666, from what nation the Antichrist will come, and promises many more stimulating Bible discussions. Use it for personal or group Bible Study and for testing viability of end time doctrines.
