## THE LOST ART OF LEADERSHIP

True Potential. Paperback. Condition: New. 184 pages. Dimensions: 8.4in. x 5.4in. x 0.5in. **The Lost Art of Leadership: Modeling, Mentoring, Multiplication** Effective leadership is the key to the future for America and the church. Biblically based leadership has become a lost art. Effective leadership accomplishes the organizational goals, while developing the people. It produces more leaders and it produces optimal results with minimal frustration. As proven, Biblically based leadership principles have given way to trends and get it quick schemes, the tragic results have been obvious in business and ministry: frustrated staff members, low productivity, a lack of personal initiation, and no sense of responsibility. Leaders are frustrated, yet they have failed to see that Christian terminology does not equate to scriptural approach. Leadership in America is in a crisis, but Gods Word has the solution. In **The Lost Art of Leadership**, Dr. James B. Richards draws upon his extensive leadership experience in both the corporate and the Christian spheres. For over thirty years he has proven that the time-honored, spiritually based leadership principles in Gods Word work -- in family, church, and every area of the corporate world. **The Lost Art of Leadership** is a book of solutions. It is a much-needed guidebook that explains not only the principles, but also the mechanics and techniques of effective leadership. Dr. Richards will introduce you to three aspects of great leadership: modeling, mentoring and multiplication. Do you want people to take ownership of their job Do you want people to learn the task and do it with excellence Do you want more freedom to pursue the dream while the team works Do you want to be surrounded by effective leaders who get the job done Do you feel like you have to be there to get the job done right Are you...
