Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Far off in the mountain lands, somewhere to the east of the setting sun, lies the principality of Graustark, serene relic of rare old feudal days. The traveler reaches the little domain after an arduous, sometimes perilous journey from the great European capitals, whether they be north or south or west-never east. He crosses great rivers and wide plains; he winds through fertile valleys and over barren plateaus; he twists and turns and climbs among sombre gorges and rugged mountains; he touches the cold clouds in one day and the placid warmth of the valley in the next. One does not go to Graustark for a pleasure jaunt. It is too far from the rest of the world and the ways are often dangerous because of the strife among the tribes of the intervening mountains. If one hungers for excitement and peril he finds it in the journey from the north or the south into the land of the Graustarkians. From Vienna and other places almost directly west the way is not so full of thrills, for the railroad skirts the darkest of the dangerlands.
