Excerpt from Ezra Cornell: His Nature, Work and Character He discerned the needs of the future. Ezra Cornell looked far into coming time in founding this noble University. His large experience in the affairs of life taught him, that the only safety for Republican government was to be found in the general loyalty and wisdom of our whole people. His was a large mould in which manhood was cast. He saw with the vision of a prophet what alarming dangers were coming into view threatening the very life of our nation.
