

I, Human

By Lori Harfenist

Working Lady LLC. Paperback. Condition: New. 232 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. I, Human is George Orwell in Wonderland with robots who sing Zeppelin songs. It is a satirical sci-fi allegory that tackles a taboo at the heart of human experience: the subconscious voice inside every one of us that screams, relentlessly, over and over, at every turn in this anxiety-inducing society, Why, why, WHY It takes place on the planet Cur. It travels back and forth between three time periods: the time of the humans, the time of the robots, and now. TIME OF THE HUMANS - Mercilessly skewers government, corporations, media, and Internet culture - Begins at the Singularity, that moment when humans finally awaken true, artificial intelligence TIME OF THE ROBOTS - Imagines what a planet might be like if humans nuked themselves into extinction and then robots continued to live and work for the following 1000 years, transforming the planet back into an organic paradise - Ends at the Singularity in reverse, that moment when robots finally awaken a true, organic human NOW The book concludes in the present tense, at the end of the time of the robots. Additionally, an all-knowing chorus of robots...
