iUniverse, United States, 2007. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. My Hidden Notebook is a collection of poems for people who normally do not read poetry. You won t find traditional poems in nice formats. These are poems without measure and songs without music. Begun at 16, the author spent nearly 8 years piecing together these poems inspired by true-life events and the concepts that came to him through a wide range of experiences. The dark poem The 90 s Disease deals with the degradation of youth society and violence in schools while the light poem Andros Dreamin leaves the reader with a mood for a cool beer and a beach front view. There are poems about love and hope and poems about despair and misery. This truly is an all-encompassing volume of work.
