Xulon Press, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Farewell to Marriage, Long Live Marriage aims to raise awareness among parents, teachers and young people, in an era where marriage is going through the most critical period in its history. It appeals specifically to couples who are about to call it quits and are looking for ways to rebuild and save their marriage. It is an extremely topical book, dealing as it does with the death and resurrection of marriage, a hot topic which is at the center of the marriage for all policy. Marcel Ngue and his wife have been married for over thirty years and have four children. He worked as Project and Liaison Officer with national and international development agencies, such as the Regional Bureau of the United States Agency for International Development (USAID) and the Cameroon-Canada Cooperation Center (CCCC), for over two decades. He wrote several articles on development issues, including: Le genie africain a l epreuve. Quelle fin pour la crise africaine? (African ingenuity is being challenged. What future for the African crisis?), Revue Afrique Unie, OAU Club, University of Yaounde, 1988. Farewell to Marriage, Long Live Marriage reveals another layer of his vision.
