Brand New Book ***** Print on Demand *****.Some will call me a heretic, but a derivation of that word just includes those that make choices or distinctions and do not swallow everything whole. We heretics chew our food carefully. Whereas the orthodox like Jonah s fish swallow everything whole. Orthodox is from the Latin ortho which means straight -as in orthodontics, which is to make straight teeth; crooked teeth being a product of the so-called fall of man. I m happy for those that can get it to go down like that, but generally the rest of us can only do what we can do and I end up chewing and chewing and chewing. The word gospel is a retelling of a story and that s what I m doing here, albeit in a more modern parlance.
