*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which it basically modified me, altered the way I believe.*

In Anton, Patty finds someone who softens the pain of her own father's rejection and who appreciates her in a way her mother never will. While patriotic feelings run high, Patty risks losing family, friends even her freedom for this dangerous friendship. It is a risk she has to take and one she will have to pay a price to keep.
