

The Duke of Chimney Butte (Paperback)

Filesize: 2.37 MB

Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE DUKE OF CHIMNEY BUTTE (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Down through the Bad Lands the Little Missouri comes in long windings, white, from a distance, as a frozen river between the ash-gray hills. At its margin there are willows; on the small forelands, which flood in June when the mountain waters are released, cottonwoods grow, leaning toward the southwest like captives straining in their bonds, yearning in their way for the sun and winds of kinder latitudes. Rain comes to that land but seldom in the summer days; in winter the wind sweeps the snow into rocky canons; buttes, with tops leveled by the drift of the old, earth-making days, break the weary repetition of hill beyond hill. But to people who dwell in a land a long time and go about the business of getting a living out [Pg 2]of what it has to offer, its wonders are no longer notable, its hardships no longer peculiar. So it was with the people who lived in the Bad Lands at the time that we come among them on the vehicle of this tale. To them it was only an ordinary country of toil and disappointment, or of opportunity and profit, according to their station and success.
