

Bukowski and the Beats: An Extended Essay on the Life and Work of Charles Bukowski

Filesize: 7.11 MB

Reviews

Comprehensive manual for ebook fans. I am quite late in start reading this one, but better then never. Its been written in an exceptionally basic way and is particularly merely soon after i finished reading this publication in which really changed me, affect the way in my opinion. (Prof. Antone Olson II)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Bukowski and the Beats is an extended essay (14,000 words) examining the life and work of Charles Bukowski. As a solitary writer of drunkenness and despair, Bukowski s tales of ordinary madness have inspired many readers to recognise a sense of heroism within their everyday lives. His masterful depictions of skid row, with its seedy bars, prostitutes and cheap rooming houses, portrays America s underclass in graphic detail. Often regarded as a laureate of American low life, Bukowski s gritty emphasis on low-brow culture has influenced much of the dirty realism that became predominant in the 1970 s and 80 s. Today his work serves as a critique on the social effects of Post-War industrialization with its ever increasing class divide and uneven redistribution of wealth. His depictions of marginal characters, such as, hustlers, bums and drunks, combined with graphic descriptions of blue-collar exploitation, appear to have foreseen the disintegration of post-War America before it even happened. It is from this perspective that Bukowski and the Beats provides a Proletarian Writer s Portrayal of the Degradation and Exploitation of America s Working-Class.
