iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Colorado's Fraser Valley struggles with the usual problems of the scenic high country-too much development, too little water, culture clashes-but normally it's a peaceable community preoccupied with skiing the deep powder and making ends meet. Then the Colorado Bureau of Investigation's Annette Trieri moves in and dead bodies start turning up. A developer who thrives on controversy, a muck-raking writer, and a community leader all die under circumstances that, at first, look innocent. But inconsistencies pique Annette's suspicion, and she finds that they're all tied to water in general and the Front-Range Associated Water Board in particular, predators from across the mountains with designs on the valley's future. Ultimately, she's able to bring to justice the parties responsible for Developing Murder.
