When someone suffers a traumatic death, these beings gather the remnants of the shattered soul and gently repair it in preparation for the next step of eternity. The journey includes visits to the past in an exploration of unresolved--and often painful--issues. But the humans are not the only ones affected by the voyage. The spiritual being feels a host of emotions: he endures the despair of a frightened little boy, relishes simplicity of a woman s voice raised in song, and aches for the bond of a family lost to the ages. Through it all, he seeks counsel from his fellow beings who have experienced earthly incarnations. In the brief time he accompanies his charges, he realizes the true depth of life on earth. In this intriguing collection of short stories, author Milian France delves into the other side of life and death. Sometimes funny and always touching, these three tales will delight and inspire you.
