Brand New Book ***** Print on Demand *****.Pull up a spot around the campfire and join us in this collection of 8 spooky short stories. A deadly, dangerous man is caught between the paranormal and his evil, hungry dreams. A study on urban legends becomes all too real for one student. Time waits for no man and a horrible vampiric legacy is in need of an heir. Puppies are sweet and cute, but this little girl's Hellhound is loyal. There's nothing like an alien war. Frog isn't what he appears. And Boyd? He'll be thankful. Running away will solve all your problems. Or not. One girl will wish she stayed home. There's nothing like a few brain-eating hermit crabs to turn your world on its axis. Sometimes the one who saves you from the monsters is one person you'd least expect.
