Cole Nespian is 16 years old and the most adored student at his school - even his teachers are fans. Cole loves his popularity and makes sure nothing is going to spoil it, which is why he keeps quiet about his younger brother. Timmy is a feisty 10-year-old, who happens to be deaf, but that doesn't stop him making the most of life. What Timmy doesn't know is that his disability is going to play a major part in the extraordinary events that are about to unfold in the lives of the Nespian brothers. It all starts one day, when something very weird happens to Cole: something which threatens to completely wreck his perfect image. He begins hearing voices. At first, he thinks he's going mad, but he eventually learns that he is actually hearing people's souls talking. As Cole embarks on an incredible journey, he is helped by the Alliance, which defends the truths of the soul voice gift; but hunted by The Following, whose goal is to exploit that gift. Cole enters a world of Rogues, Radars and Searchers, and of course, the mysterious shadow child. He doesn't know that his co-hero will turn out to be his younger brother, Timmy .
