

A Ladies Book of Styles (Paperback)

By Prasopchai Sasithorn

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. The book is aimed at women for a variety of good reasons. Of course, number one is that it was written by one. That is obviously important. But there is also a more general reason. Over too many centuries (in fact: millennia) large numbers of women have been abused. Of course, it is often pointed out that according to tradition, this did not happen everywhere. In the earliest times, there were Amazons, who ruled the world. But, for some strange and unknown reason, they disappeared. In the XXIst century, human behaviour is changing, as part of worldwide social and cultural progress. In the near future, it is clear that women will soon be in charge of Society and, naturally enough, that they will be the ones to decide how lovemaking is to be done. The signs are all around us. Actually, this process has already begun, and Prasopchai's work is simply part of making it more evident, as it develops in all modern societies. It is no surprise that an Asian woman should be the first to address...
