## CASE STUDIES IN REHABILITATION (PAPERBACK)

SLACK Incorporated, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. This text is a series of case studies for students and clinicians, in the fields of occupational and physical therapy. The case studies included are real-life examples of clients with various diagnoses, many of which represent the primary adult pathologies, impairments and functional limitations seen by clinicians in rehabilitation. The book allows for the integration of didactic learning and hands-on clinical practice, seeking to bridge the gap between classroom and practice. Separate sections have been developed, covering areas such as orthopaedics, neurology, rheumatology and oncology.
