By Arne Nerjordet, Carlos Zachrison

Search Press Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Arne Carlos derived the inspiration for this book from numerous Setesdal patterns. Many were found in the attics of old houses, in books, on postcards, and from old knitting patterns. In their newest book, Knitting Scandinavian Style, you will find 33 patterns for gorgeous sweaters in bright colours, to suit both men and women. Ideas for accessories such as mittens, hats, wrist warmers, stockings, small and large pillows, teddy bears and much more. The levels of difficulty vary from completely easy patterns to those for more experienced knitters. Through experience gained from working alongside Scandinavia's most respected knitters, many of whom still use centuries-old techniques, Arne Carlos seek to preserve tradition while creating pieces that are fresh and modern. The 33 patterns in this book have been inspired by Setesdal's cultural heritage but were designed with a little twist.

I actually started reading this article ebook. It is actually packed with knowledge and wisdom. It's been printed in a remarkably simple way and it is only after I finished reading this pdf where in fact it modified me, altered the way I believe.
